1. EXIT REQUIREMENTS FOR DEGREE-SEEKING STUDENTS:

Applying for Graduation Graduate students with more than 15 hours and degree-seeking status will have the "Apply to Graduate" button available to them on the Graduation Tab in CampusNet. Once a student applies online, the graduation fee is charged to the student account and the review process begins. It takes six to eight weeks to complete the initial review. Students are encouraged to track the progress of their graduation application on the "Application Tracking" page on the "Graduation" tab.

Exit Requirement Options - In consultation with your faculty advisor, you must select one of the following four options as your culminating experience/exit requirement:

Portfolio Assessment (ETE 573) - If selecting this option, you must successfully complete ETE 573 (grade of B or better) and the portfolio assessment requirement of this course.

Thesis/Project Option – If selecting the thesis or project option, you must be registered for at least one (1) graduate hour until completion of this requirement and submit a Proposal Approval form prior to submission of the final thesis or project. Thesis/Project forms and instructions are available in the LSSC, JH 170.

2. GRADUATE CREDIT TRANSFER/EXTENSION OF 10-YEAR LIMIT:

Graduate Credit Transfer – A Graduate Credit Transfer form must be completed when requesting credit toward your degree program for graduate-level courses taken at another institution. Transfer eligibility requires that courses be less than 10 years old (unless a petition is filed and approved to extend the 10-year limit—see below), were not used to meet previous degree requirements, and where a letter grade of “B” or better was earned. No more than nine (9) semester hours are transferable. Transcripts and course descriptions must accompany the Graduate Credit Transfer form, which is available in the LSSC, JH170.

Extension of 10-Year Limit - An approved graduate college petition must be filed to apply courses older than 10 years to your degree. The graduate college petition can be filed with your academic coach in the LSSC, JH 170.

3. ENDORSEMENT ELIGIBILITY:

To be eligible for the Computer/Technology endorsement, you must hold a valid provisional, professional, or permanent teaching certificate or license in the State of Ohio. Upon successful completion of the required courses listed on this program of study and a passing score on the applicable Pearson OAE exams, you may apply for the endorsement (see item 4 below). Teachers holding temporary, substitute, or non-tax credentials are not eligible for the endorsement.

4. APPLICATION FOR ENDORSEMENT:
