1.EXIT REQUIREMENT:

Applying for Graduation – Graduate students with more than 15 hours and degree-seeking status will have the "Apply to Graduate" button available to them on the Graduation Tab in CampusNet. Once a student applies online, the graduation fee is charged to the student account and the review process begins. It takes six to eight weeks to complete the initial review. Students are encouraged to track the progress of their graduation application on the "Application Tracking" page on the "Graduation" tab.

2. GRADUATE CREDIT TRANSFER/EXTENSION OF 10-YEAR LIMIT

Graduate Credit Transfer – A Graduate Credit Transfer form must be completed when requesting credit toward your degree program for graduate-level courses taken at another institution. Transfer eligibility requires that courses be less than 10 years old (unless a petition is filed and approved to extend the 10-year limit—see below), were not used to meet previous degree requirements, and where a letter grade of "B" or better was earned. No more than nine (9) semester hours are transferable. Transcripts and course descriptions must accompany the Graduate Credit Transfer form, which is available in the LSSC, JH 170.

Extension of 10-Year Limit - An approved graduate college petition must be filed to apply courses older than 10 years to your degree. The graduate college petition can be filed with your academic coach in the LSSC, JH 170.

3. INTERNSHIP REQUIREMENTS:

All licensure courses must be successfully completed prior to Internship II. PLEASE NOTE: ALL APPLICABLE OAE EXAMS MUST BE TAKEN PRIOR TO INTERNSHIP II. Information regarding the on-line application for internships can be found at https://levin.csuohio.edu/office-field-services/field-experience-application. Application deadlines for internships are February 15th for Fall Semester and September 15th for Spring Semester.

All requests for a new credential must be completed on-line through the Ohio State Board of Education website. Information regarding the on-line license application process can be found at https://sboe.ohio.gov/educator-licensure. After visiting this website if you still have questions regarding the on-line application process, please contact the Advising Office at 216-687-4625. Once you have submitted your on-line license application to the ODE and payment is made, it will be forwarded to Cleveland State for review.

5. OHIO ASSESSMENTS FOR EDUCATORS (OAE) 9/1/13:

To receive a Mild/Moderate license, a passing score on the following OAE exam(s) must be achieved. NOTE: You must designate CSU as a score recipient each time you register for the OAE as CSU will need to have a copy on file to approve your on-line license application.
