### 1. EXIT REQUIRMENTS:

Applying for Graduation – Graduate students with more than 15 hours and degree-seeking status will have the "Apply to Graduate" button available to them on the Graduation Tab in CampusNet. Once a student applies online, the graduation fee is charged to the student account and the review process begins. It takes six to eight weeks to complete the initial review. Students are encouraged to track the progress of their graduation application on the "Application Tracking" page on the "Graduation" tab.

Culminating Experience/Exit Requirement (EDB 595, Seminar on Integrating Theory and Practice) -

The culminating experience in this program requires that you successfully complete EDB 595 with an overall grade of B or better, which includes successful completion of an action research project and the professional teaching portfolio requirement of this course.

### 2. GRADUATE CREDIT TRANSFER/EXTENSION OF 10-YEAR LIMIT:

Graduate Credit Transfer – A Graduate Credit Transfer form must be completed when requesting credit toward your degree program for graduate-level courses taken at another institution. Transfer eligibility requires that courses be less than 10 years old (unless a petition is filed and approved to extend the 10-year limit—see below), were not used to meet previous degree requirements, and where a letter grade of “B” or better was earned. No more than nine (9) semester hours are transferable. Transcripts and course descriptions must accompany the Graduate Credit Transfer form, which is available in the LSSC, JH 170.

Extension of 10-Year Limit - An approved graduate college petition must be filed to apply courses older than 10 years to your degree. The graduate college petition can be filed with your academic coach in the LSSC, JH 170.

### 3. PRACTICUM AND STUDENT TEACHING:

Students must register for the appropriate course number for both Practicum and Student Teaching. Each course number reflects a different subject area and selection should be based on your subject area. PLEASE NOTE: ALL APPLICABLE OAE EXAMS MUST BE TAKEN PRIOR TO STUDENT TEACHING.

### 4. LICENSURE INFORMATION:

All requests for a new credential must be completed on-line through the Ohio State Board of Education website. Information regarding the on-line license application process can be found at <https://sboe.ohio.gov/educator-licensure>. After visiting this website if you still have questions regarding the on-line application process, please contact the Education Advising Office at 216-687-4625. Once you have submitted your on-line license application to the ODE and payment is made, it will be forwarded to Cleveland State for review.

### 5. OHIO ASSESSMENTS FOR EDUCATORS (OAE) Effective 9/1/13):

To receive a 2-Year Resident Educator License, a passing score on the following OAE Assessment of Professional Knowledge and Content Assessment must be achieved.

NOTE: You must designate CSU as your education preparation institution each time you register for the OAE as CSU will need to have a copy on file to approve your on-line license application.

	Test Code	Test Name	Qualifying Score
