Graduate Credit Transfer – A Graduate Credit Transfer form must be completed when requesting credit toward your degree program for graduate-level courses taken at another institution. Transfer eligibility requires that courses be less than 6 years old (unless a petition is filed and approved to extend the 10-year limit—see below), were not used to meet previous degree requirements, and where a letter grade of “B” or better was earned. No more than nine (9) semester hours are transferable. Transcripts and course descriptions must accompany the Graduate Credit Transfer form, which is available in the LSSC, JH 170.

Extension of 10-Year Limit - An approved graduate college petition must be filed to apply courses older than 10 years to your degree. The graduate college petition can be filed with your academic coach in the LSSC, JH 170.
