

For edTPA, the recommended file size for upload is 200-300 MB. The Pearson ePortfolio System accepts a maximum video file size of 500 MB.

Mac COMPUTERS

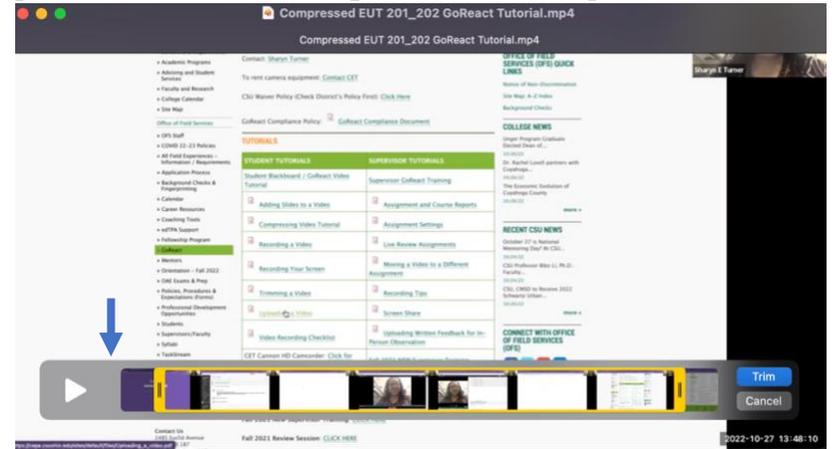

1. Locate video File (green arrow). Right click> Open with (red arrow)> QuickTime Player (yellow arrow)

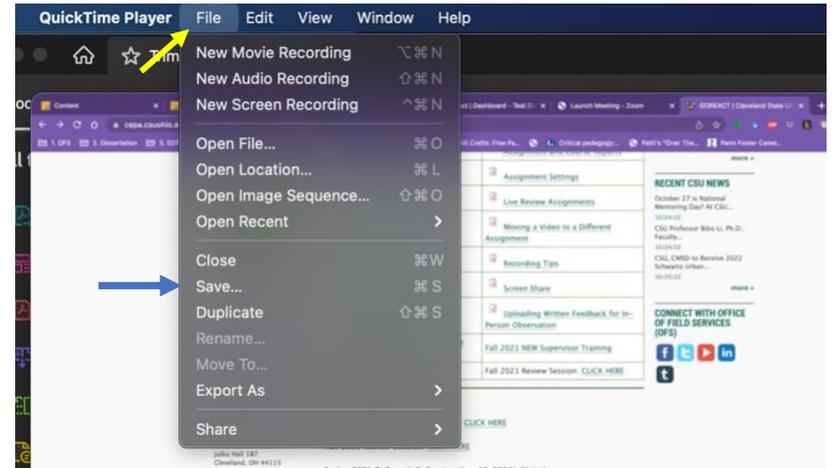

2. When done, the video will open in the QuickTime Player. Click Edit (red arrow)>Trim (yellow arrow)

3. A slider will appear at the bottom of the video (blue arrow). Utilize the sliders to select the portion of the video you want to crop.

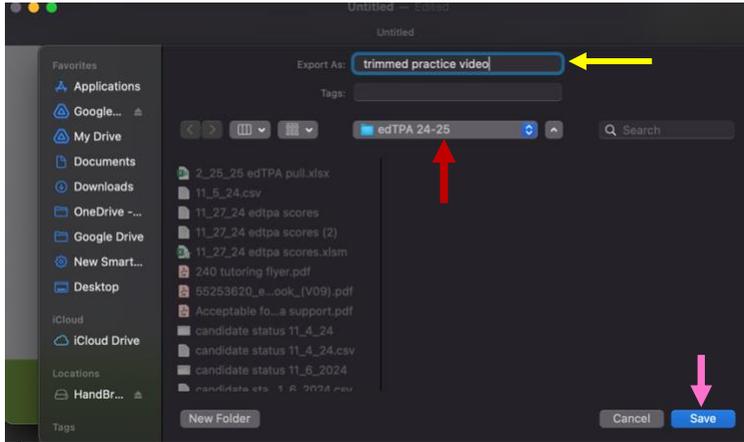

4. When done cropping, click File (yellow arrow)>Save (blue arrow).

Trimming & Compressing Videos

5. Name the trimmed video file (yellow arrow). Choose the folder where you want to save your trimmed video file (red arrow), then click the save button (pink arrow).

6. The part of the video you selected will be saved in your chosen location.
