1. APPLYING TO GRADUATE

Graduate students with more than 15 hours and degree-seeking status will have the "Apply to Graduate" button available to them on the Graduation Tab in CampusNet. Once a student applies online, the graduation fee is charged to the student account and the review process begins. It takes six to eight weeks to complete the initial review. Students are encouraged to track the progress of their graduation application on the "Application Tracking" page on the "Graduation" tab.

2. GRADUATE CREDIT TRANSFER/EXTENSION OF 10-YEAR LIMIT:

Graduate Credit Transfer – A Graduate Credit Transfer form must be completed when requesting credit toward your degree program for graduate-level courses taken at another institution. Transfer eligibility requires that courses be less than 10 years old (unless a petition is filed and approved to extend the 10-year limit—see below), were not used to meet previous degree requirements, and where a letter grade of "B" or better was earned. No more than nine (9) semester hours are transferable. Transcripts and course descriptions must accompany the Graduate Credit Transfer form, which is available in the LSSC, JH 170.

Extension of 10-Year Limit - An approved graduate college petition must be filed to apply courses older than 10 years to your degree. The graduate college petition can be filed with your academic coach in the LSSC, JH 170.

3. APPLYING FOR INTERNSHIP:

Students must apply for internship approximately 6 months prior to the fall semester they wish to begin the internship. Faculty will make an announcement about application usually in February, you then fill out the application and return it to your advisor. You will then get a letter about a mandatory internship orientation meeting to attend, usually during the spring semester before you begin your internship.

4. LICENSURE:

Students can apply for their license upon successful completion of all coursework and passage of the Pearson OAE School Counselor Exam (see below).

All requests for a new credential must be completed on-line through the Ohio State Board of Education website. Information regarding the on-line license application process can be found at <https://sboe.ohio.gov/educator-licensure>. After visiting this website if you still have questions regarding the on-line application process, please contact the Advising Office at 216-687-4625. Once you have submitted your on-line license application to the ODE and payment is made, it will be forwarded to Cleveland State for review.

5. PEARSON OAE (Effective 1/1/14):

To receive a license as a School Counselor, a passing score on the following Pearson OAE exam must be achieved. You **must** cite Cleveland State as your education preparation institution each time you register for the OAE as CSU will need to have a copy on file to award your degree and approve your on-line license application.
