Crowne Plaza Hotel, Worthington / Columbus

October 8, 2021

Dear University Student:

The Water Management Association of Ohio (WMAO) invites you to participate at ***Careers in Water Resources***. This event, in conjunction with the WMAO 50th Annual Conference, will be held on November 3, 2021, at the Crowne Plaza Hotel, 6500 Doubletree Ave., Worthington / Columbus, Ohio.

We will explore the water profession through conversation with sector representatives: private companies (environmental consulting and engineering firms), academia, Non-Governmental Organizations (NGOs) such as nonprofit environmental groups, as well as local, state and federal governments. Technicians from each of these industries will be available to provide insight and answer questions related to their field of operation to assist you in launching a successful career as a water professional.

Careers in water resource management will continue to be in high demand. Please join us for this networking event to learn about career opportunities and talk with potential employers. You can visit us for refreshments during a conference break at 2:45 p.m. The networking roundtables will begin at 3:15 in Salon B/C, followed by an hors d'oeuvre reception and academic poster session in the Grand Pavilion.

The theme at the conference this year is “Engaging Water Professionals Through the Decades” as WMAO celebrates 50 years! You may attend this special event starting at 2:45 p.m. as our guest or register for the full day as a student attendee for only \$20. There is also a discount available for professors who bring five or more students to the conference. Details on this discount, the agenda and registration are online: wmao.org.

If you wish to attend this valuable networking event, please contact Dana Oleskiewicz, WMAO Administrative Director, at admin@wmao.org or 330-466-563. Provide to us your name and contact information so we can prepare for your arrival.

We hope to see you on November 3rd!

Sincerely,

Eugene C. Braig IV, WMAO President
