## V. Instructional Strategies/Activities Related to Diversity and Technology

In keeping with CSU's commitment to preparing effective urban educators, candidates are required to complete at least one major field experience in a city designated by the Ohio Department of Education as "urban."

As part of every lesson plan, candidates are expected to explain how their learning outcomes are based on a thorough knowledge of the educational contexts and the students they teach. They need to demonstrate responsiveness to a wide variety of student diversity, including gender, race, ethnicity, ability, and interest. Prompts for some Guided Reflections explicitly require candidates to reflect on the social issues that impact education in diverse educational settings. The Inquiry based

Unit Plan assignment requires candidates to explain how the instructional strategies they use are appropriate for the students in the classroom.

Candidates are assessed on their effective use of technology in each formal observation and as a part of their participation in the seminar.

## VI. Course Requirements

### a) Field Requirements

- Students will spend 180 hours in the field in direct contact with students, 45 hours of classroom and seminar discussion will be held in a blended format, utilizing periodic face to face meetings and blackboard. **The field hours are composed of three hours per day, four days per week, for the entire 15-week semester. Candidates are to attend all seminars and participate throughout the semester on Blackboard.**
- Candidates are expected to observe, assist, and co-teach with the mentor teacher to complete the assignments listed below. Candidates will be observed a minimum of four times in the classroom by the CSU supervisor and twice by the mentor teacher. **For each observation, the candidate is to provide a full lesson plan 48 hours in advance.**
- At the midpoint and end of the semester, the candidate will prepare for and participate in a "triad meeting" with the university supervisor and mentor teacher to assess progress in the course and to discuss the final aggregated observation scores.

### b) Assignments/Assessments-

**Lesson plans:** Development and implementation of lesson plans throughout the semester.

**Seminars:** Discussions and face-to-face meetings will make up the seminars for Internship1.

You will be expected to work collaboratively with other interns during these meetings to develop and to craft skills in various topics. Some of these topics will focus on effective lesson plans, differentiation, role of IEP's and conflict resolutions. There will be designated opportunities for hands on exploration with technology and weekly reflection of teaching practices.

**Weekly reflections:** Reflecting critically and effectively is an important teaching skill and part of the learning/teaching process. This particular assignment focuses on practicing and strengthening that skill. The assignment consists of: a detailed written reflection on one of the lessons that you taught that week supported by student work and or assessment data. See attached for reflection prompts.

**Inquiry-based Unit Plan:** The purpose of this assignment is to design, implement, and evaluate a unit or sequence of lessons that teach students skills measured by a specific state standard or a topic based on a state standard. This assignment is designed for you to demonstrate your competence in the following skills:

- Ability to prepare, teach and reflect on a 4-5 day unit plan
- Ability to assess student learning, analyze and determine the students' growth in achieving the objectives of the unit
- Ability to videotape, trim, compress and upload a sample of your teaching
- Ability to incorporate and implement a free choice center plan that supports student choice and inquiry in the unit plan (ECE)
- Ability to plan a unit that is Inquiry-based (ECE, Middle and Sp. Ed.)
- Ability to engage families in the students' learning process

**Rubric for the inquiry based unit plan assignment can be found in Taskstream.**

**OBR Modules:** Ohio board of regents modules assessing knowledge of the Resident Educator Licensure Program, the School Operating Standards, the Professional Development Standards, and the Value-added Progress Dimension in preparation for Seminar discussions.

**In addition to these written assignments, interns seeking licensure and intending to participate in Internship 2 must complete and satisfy the Taskstream Checkpoint 2 portfolio criteria.**

**VII. Grading criteria**

A field grade is earned through a calculation of three separate variables. All field assignments are graded on a scale of 0-3, with 2 being a proficient level. **Assignments will be submitted through Blackboard and Taskstream for grading by the CSU supervisor and/or CSU seminar leaders.**

**IX. Course Policies**

A. Attendance and Punctuality

The following policy applies to all Field Experiences. Regular attendance is required according to the requirements of the experience. **This policy includes all field hours as well as orientations, associated seminars, and other professional activities affiliated with the internship.**

All students are expected to:

|  |
|--|
| 1. <b>Sign in and out</b> of placement daily, using schools designated system.   |
| 2. Complete the <b>Intern Attendance Form</b> daily. (File with Mentor Teacher)  |
| 3. Make available the <b>Intern Attendance Form</b> during supervisor's visits.  |
| 4. <b>Be present for the full duration</b> of the time scheduled for each day. Leaving early or arriving late is not permissible without advanced notification and permission. Missing over an hour on any day is considered an unexcused absence. |
| 5. <b>Arrive early or stay late as required</b> for preparation and discussions with a mentor teacher.   |
| 6. Receive mentor teacher and supervisor's <b>advance approval for any anticipated absences</b> , <i>See Below for information regarding absences.</i>   |
| 7. <b>Notify</b> the mentor teacher, school secretary, and university supervisor of any anticipated absences. <i>See Below for information regarding absences.</i>   |
| 8. <b>Leave detailed plans</b> and materials for the mentor teacher who will 'cover' for the intern during an excused absence. <i>See Below for information regarding absences.</i>  |
| 9. Make-up <u>each</u> excused absence beyond three. <i>See Below for information regarding absences.</i>  |
| 10. If attendance or punctuality becomes an issue a meeting with the OFS staff will be required to determine next steps. (e.g. more than 3 absences.) Failure to make-up   |

absences may require Intern to withdraw from field experience. **Any intern facing such a possibility should confer with the Office of Field Services.**

## **Absences**

Mentors and children expect you to be consistent and reliable with attendance and punctuality.

**Unexcused absences** are not permitted for any reason

**Excused absences** - With proper communication to university supervisor and mentor teacher, in extenuating circumstances, interns are permitted up to three (3) excused absences. Each excused absence beyond three must be made-up. See **Personal Leave Policy** below for definition of *excused absences*. If more than 3 absences occur, **and these absences cannot be made-up**, interns may be required to withdraw from practicum or student teaching.

## **PERSONAL LEAVE (excused absence) POLICY-**

In extenuating circumstances, interns are permitted up to three (3) excused absences during placement. For practicum interns, this shall be taken to mean the daily length of that member's work schedule, e.g., a 4 hour teacher is eligible for three 4 hour days of personal leave. Personal leave must be approved in advance and shall be used only for such purposes or in connection with activities of the type listed immediately below and which cannot be accomplished during the non-working hours.

### **Use of such leave may be for the following:**

- A. Intern illness
- B. Religious Holidays
- C. Personal business matters that cannot be taken care of outside school hours.
- D. Attendance at set graduation ceremonies in the immediate family.
- E. A son, daughter, spouse, or other person residing in the employee's household leaving for military service or college as a freshman.
- F. Weddings of the employee or in his or her immediate family.
- G. Attending funerals not covered in the Bereavement Leave Policy.
- H. Attendance at ceremonies where the teacher or his/her immediate family is receiving an award of major significance.
- I. Appointments required by academic programs or educational requirements.
- J. Emergencies affecting the teacher or a member of his/her immediate family.
- K. Moving from one permanent residence to another.

- B. Late assignment policy. All assignments are to be submitted by the due date. Late assignments will lead to Arbitration. (See OFS Handbook) Due dates are set by the Supervisor and/or Taskstream Timeline.

Professionalism. Students are to act professional at all times. Professionalism encompasses many areas of behavior, including dispositions, courtesy, attendance and punctuality, appearance, initiative, fulfillment of responsibilities, ethical behavior, and protection of student confidentiality. For complete guidelines on professional behavior, refer to the Office of Field Services Handbook. **Failure to demonstrate professional behavior at any point in the experience may jeopardize an intern's continuation in his/her program.**

- C. Ethics. Cleveland State requires all interns to follow the professional guidelines set by the College of Education and Human Services and the Code of Ethics established by the National Education Association.
- D. Ethical and Responsible Technology Use. All interns must adhere to the CSU Information and Technology Resources General Policy when using computer equipment on campus or at the field site. **In addition to the CSU policies, interns are responsible for learning and following the technology policies and procedures of the district in which they are placed.** The application of these policies includes, but is not limited to, any of the following activities:
  - i. Use of computer, tablets, or personal electronic devices
  - ii. Access to computer systems
  - iii. Possession of computer software or data
  - iv. Copying or use of computer software or data
  - v. Use of computer accounts
  - vi. Use of computer-related equipment

**NOTE: While cell phones are widely used for personal mass multimedia communication, interns should consult with their mentor teacher and district policies to establish an agreement about the acceptable professional use of these devices as part of their internship experience.**

- E. Plagiarism/Academic Integrity. The CSU Student Handbook describes plagiarism as stealing and/or using the ideas or writings of another in a paper or report and claiming them as your own. This includes but is not limited to the use, by paraphrase or direct quotation, of the work of another person without full and clear acknowledgment.
  - I. Minor infractions comprise those instances of cheating, plagiarism, and/or tampering which affect the grade of an individual class assignment or project of lesser (<25% of grade) importance. Multiple instances of minor infractions within a course or across courses constitute a major infraction.
  - II. Major infractions comprise those instances of cheating, plagiarism, and/or tampering which affect the overall course grade, such as a major/comprehensive exam, term paper or project, final grade evaluation, or academic standing and status. Major infractions automatically result in an entry on the student's permanent record that the student has engaged in academic misconduct.
  - III. Procedures of reporting plagiarism are described in the Student Handbook, available at <http://www.csuohio.edu/studentlife/>. Additional information on plagiarism is available at the CSU Writing Center, RT Library 124; (216) 687-6981 or <http://www.csuohio.edu/academic/writingcenter>.
- F. Students with Disabilities. Educational access is the provision of classroom accommodations, auxiliary aids and services to ensure equal educational opportunities for all students regardless of their disability. Any student who feels he or she may need an accommodation based on the impact of a disability should contact the Office of Disability Services at (216)687-2015. The Office is located in MC 147. Accommodations need to be requested in advance and will not be granted retroactively.
- G. Technical Help. If you have a question about Taskstream or require technical assistance with videotaping or editing, you should visit the Center for Educational Technology in JH 118 during posted hours or contact Heather Gallacher (687-3743; [h.gallacher@csuohio.edu](mailto:h.gallacher@csuohio.edu)) or Brian Yusko (875-9774; [b.yusko@csuohio.edu](mailto:b.yusko@csuohio.edu))
- H. Professional Dispositions. One important aspect of your education is the development of professional dispositions—ways of working, thinking, and interacting with others—in three areas: Professionalism, Work Ethic, and Communication Skills. You should be monitoring your own development beginning now and continuing throughout your teaching career. The Student List of Professional Dispositions can be found in the handbook on the OFS website.
