

FUELING OUR FUTURE THE FUTURE OF TRANSPORTATION: SARTA FUEL CELL POWERED BUS

**WEDNESDAY, DECEMBER 5
12:30 PM - 2:00 PM
LEVIN COLLEGE OF URBAN AFFAIRS
STEINBACHER ATRIUM**

Come learn about hydrogen fuel cells and explore a variety of renewable energy demonstrations.

Take a short ride on a fuel cell bus.

Appetizers and beverages will be served. All are welcome.

Sponsored by Stark Area Regional Transit Authority (SARTA) and the Renewable Hydrogen Fuel Cell Collaborative.

Supported by the Levin College of Urban Affairs and the CSU Office of Sustainability.

Levin.
