Fall 2018

August 25—December 15, 2018

Visa and Immigration Information

If you are living in your country now, you must use the I-20 sent by Cleveland State University to pay your SEVIS fee, when you apply for the F-1 visa at the US Consulate or Embassy (find the closest consulate or embassy at www.usembassy.gov/index.html) and to enter the country.

To Pay the SEVIS fee, go to www.fmjfee.com and follow the directions. Keep the receipt and take it with you to the visa interview. You will also need your I-20, financial support documents, and admission letter.

Common questions for the visa interview include:

Where are you going to study? Why do you want to study there? What will you do after you study English? And How will you pay for your studies.

Do not enter the US on a B1/B2 visa if you want to study. If traveling with family, your spouse and children must apply for a visa at the same time as you. Each dependent needs a separate I-20. You must tell us if you need dependent documents.

If you have questions contact: esl@csuohio or call 216 875-9669.
