

2023 Summer Internship Program

Hanna Commercial Real Estate is excited to offer 8-week and 12-week summer internship programs for college students who are interested in pursuing a career in the commercial real estate industry. This program provides a unique opportunity for college students to gain hands-on experience in various sectors of commercial real estate, including retail, office, industrial, property management, marketing, and corporate services.

Throughout the program, interns will have the chance to work with industry experts, participate in real estate projects and develop their skills in different areas. They will also have access to exclusive training sessions and workshops that will help them develop a deep understanding of the commercial real estate industry.

The internship will take place at the prestigious US Bank Building, located in the heart of Downtown Cleveland. This iconic building is known for its impressive architecture and stunning views of the city. Interns will be immersed in a professional and dynamic environment, gaining exposure to the inner workings of a successful commercial real estate firm.

This internship is paid, providing interns with the financial support they need to focus on their work and make the most of their experience. The experience gained during this program will be unmatched, providing interns with a valuable foundation for their future careers in the industry.

Overall, the Hanna Commercial Real Estate summer internship program is an excellent opportunity for college students with an interest in the real estate field to gain valuable experience, learn from the experts, and develop their skills in different sectors of commercial real estate.
