

Complete this Program of Study with your faculty advisor during your first term of admission/acceptance in the program. Your faculty advisor will then forward it through the proper channels for final approval. Your copy will be returned when all approvals have been obtained. If you have submitted a program change form to the ESSC, JH 170, a Program of Study for the new program will be sent to you and should be completed with your advisor as soon as possible.

1. EXIT REQUIREMENTS FOR DEGREE-SEEKING STUDENTS:

Applying for Graduation – Graduate students with more than 15 hours and degree-seeking status will have the "Apply to Graduate" button available to them on the Graduation Tab in CampusNet. Once a student applies online, the graduation fee is charged to the student account and the review process begins. It takes six to eight weeks to complete the initial review. Students are encouraged to track the progress of their graduation application on the "Application Tracking" page on the "Graduation" tab.

Exit Requirement Options - In consultation with your faculty advisor, you must select one of the two options as your culminating experience/exit requirement:

ALD Portfolio Development (ALD 689) - If selecting this option, you must successfully complete the course with a grade of "B" or better.

Thesis Option – If selecting the thesis option, you must be registered for at least one (1) graduate hour until completion of this requirement and submit a *Proposal Approval* form prior to submission of the final thesis. Thesis/Project forms and instructions are available in the ESSC, JH 170.

2. GRADUATE CREDIT TRANSFER/EXTENSION OF 6-YEAR LIMIT:

Graduate Credit Transfer – A Graduate Credit Transfer form must be completed when requesting credit toward your degree program for graduate-level courses taken at another institution. Transfer eligibility requires that courses be less than 6 years old (unless a petition is filed and approved to extend the 6-year limit—see below), were not used to meet previous degree requirements, and where a letter grade of "B" or better was earned. No more than nine (9) semester hours are transferable and you need to complete 12 semester hours at CSU before you can apply. Transcripts and course descriptions must accompany the Graduate Credit Transfer form, which is available in the ESSC, JH 170.

Extension of 6-Year Limit – A College Petition and corresponding Course Relevancy Statements must be completed when requesting credit for graduate-level coursework that will be more than 6 years old at the time you graduate. Petitions and Relevancy Statements are available in the ESSC, JH 170.

3. CERTIFICATION:

At the beginning of your final semester in the certificate program, you will need to complete the top portion of the "Graduate Certificate Completion Form." Your faculty advisor will either attach a completed copy of this program of study to the form or complete the Program Director portion of the form and submit it to the Education Student Services Center (ESSC) for processing. Certificates are normally awarded to students within six weeks of the end of the completion term.
