1. GRADUATION APPLICATION:

Applying for Graduation – Graduate students with more than 15 hours and degree-seeking status will have the "Apply to Graduate" button available to them on the Graduation Tab in CampusNet. Once a student applies online, the graduation fee is charged to the student account and the review process begins. Students are encouraged to track the progress of their graduation application on the "Application Tracking" page on the "Graduation" tab.

2. GRADUATE CREDIT TRANSFER/EXTENSION OF 6-YEAR LIMIT:

Graduate Credit Transfer – A Graduate Credit Transfer form must be completed when requesting credit toward your degree program for graduate-level courses taken at another institution. Transfer eligibility requires that courses be less than 6 years old (unless a petition is filed and approved to extend the 6-year limit—see below), were not used to meet previous degree requirements, and where a letter grade of "B" or better was earned. No more than nine (9) semester hours are transferable and you need to complete 12 semester hours at CSU before you can apply. Transcripts and course descriptions must accompany the Graduate Credit Transfer form, which is available in the ESSC, JH 170.

Extension of 6-Year Limit – A College Petition and corresponding Course Relevancy Statements must be completed when requesting credit for graduate-level coursework that will be more than 6 years old at the time you graduate. Petitions and Relevancy Statements are available at <https://levin.csuohio.edu/essc/petitions>.

3. INTERNSHIP:

All licensure courses must be successfully completed prior to the Internship. ALL APPLICABLE OAE AND ACTFL EXAMS MUST BE TAKEN PRIOR TO THE INTERNSHIP. Information regarding the on-line application for the Internship can be obtained from the Office of Field Services (OFS), JH 187. Application deadlines for the Internship are February 15th for Fall semester and September 15th for Spring Semester. In addition, the following items are required and must be turned into the Office of Field Services prior to reporting for your placement: 1) Completion of a criminal background fingerprint check; 2) Proof of a negative TB test; and 3) Proof of completion of Hepatitis B shots. Forms and information regarding these requirements are available in the OFS, JH 187.

Candidates in this program will not be allowed to petition for waiver of any portion of this internship requirement. Since this is a PK-12 teaching license, various provisions will be made to ensure that candidates have both elementary and secondary experience prior to licensure. If they are currently teaching in an elementary setting, they will be required to gain experience in a secondary setting prior to licensure; if currently teaching in a secondary setting, they will be required to gain elementary experience prior to licensure. If they are not currently teaching Chinese at any level their field experiences will include both elementary and secondary settings.
