

Complete this Program of Study with your faculty advisor during your first term of admission/acceptance in the program. Your faculty advisor will then forward it through the proper channels for final approval. Your copy will be returned when all approvals have been obtained. If you have submitted a program change form to the ESSC, JH 170, a Program of Study for the new program will be sent to you and should be completed with your advisor as soon as possible.

## EXIT REQUIREMENTS:

### Applying for Graduation

Graduate students with more than 15 hours and degree-seeking status will have the "Apply to Graduate" button available to them on the Graduation Tab in CampusNet. Once a student applies online, the graduation fee is charged to the student account and the review process begins. Students are encouraged to track the progress of their graduation application on the "Application Tracking" page on the "Graduation" tab.

### Culminating Experience/Exit Requirement (HED 615, Community Health Capstone Course)

The culminating experience in this program requires that you successfully complete HED 615 with an overall grade of B or better. If unsuccessful, you will need to consult with your faculty advisor on available options for successful completion of an exit requirement.

## GRADUATE CREDIT TRANSFER/EXTENSION OF 6-YEAR LIMIT:

**Graduate Credit Transfer** – A Graduate Credit Transfer form must be completed when requesting credit toward your degree program for graduate-level courses taken at another institution. Transfer eligibility requires that courses be less than 6 years old (unless a petition is filed and approved to extend the 6-year limit—see below), were not used to meet previous degree requirements, and where a letter grade of “B” or better was earned. No more than nine (9) semester hours are transferable and you need to complete 12 semester hours at CSU before you can apply. Transcripts and course descriptions must accompany the Graduate Credit Transfer form, which is available in the ESSC, JH 170.

**Extension of 6-Year Limit** – A College Petition and corresponding Course Relevancy Statements must be completed when requesting credit for graduate-level coursework that will be more than 6 years old at the time you graduate. Petitions and Relevancy Statements are available in the ESSC, JH 170.
