1. EXIT REQUIREMENTS FOR DEGREE-SEEKING STUDENTS:

Applying for Graduation Graduate students with more than 15 hours and degree-seeking status will have the "Apply to Graduate" button available to them on the Graduation Tab in CampusNet. Once a student applies online, the graduation fee is charged to the student account and the review process begins. It takes six to eight weeks to complete the initial review. Students are encouraged to track the progress of their graduation application on the "Application Tracking" page on the "Graduation" tab.

Exit Requirement Options - In consultation with your faculty advisor, you must select one of the following four options as your culminating experience/exit requirement:

Portfolio Assessment (ETE 573) - If selecting this option, you must successfully complete ETE 573 (grade of B or better) and the portfolio assessment requirement of this course.

Comprehensive Exam Option – If selecting this option, the comprehensive exam should be taken during or after your last term of coursework. Placement on the comprehensive exam list requires that you apply for graduation, have a program of study on file in the ESSC, and be registered for at least one graduate hour during the term taken. Exam notices are sent approximately one month before the exam.

Thesis/Project Option – If selecting the thesis or project option, you must be registered for at least one (1) graduate hour until completion of this requirement and submit a Proposal Approval form prior to submission of the final thesis or project. Thesis/Project forms and instructions are available at <https://levin.csuohio.edu/essc/graduation-process>.

2. GRADUATE CREDIT TRANSFER/EXTENSION OF 6-YEAR LIMIT:

Graduate Credit Transfer – A Graduate Credit Transfer form must be completed when requesting credit toward your degree program for graduate-level courses taken at another institution. Transfer eligibility requires that courses be less than 6 years old (unless a petition is filed and approved to extend the 6-year limit—see below), were not used to meet previous degree requirements, and where a letter grade of “B” or better was earned. No more than nine (9) semester hours are transferable and you need to complete 12 semester hours at CSU before you can apply. Transcripts and course descriptions must accompany the Graduate Credit Transfer form, which is available at <https://levin.csuohio.edu/essc/petitions>.

Extension of 6-Year Limit – A College Petition and corresponding Course Relevancy Statements must be completed when requesting credit for graduate-level coursework that will be more than 6 years old at the time you graduate. Petitions and Relevancy Statements are available at <https://levin.csuohio.edu/essc/petitions>.

3. ENDORSEMENT ELIGIBILITY:

To be eligible for the Computer/Technology endorsement, you must hold a valid provisional, professional, or permanent teaching certificate or license in the State of Ohio. Upon successful completion of the required courses listed on this program of study and a passing score on the applicable Pearson OAE exams, you may apply for the endorsement (see item 4 below). Teachers holding temporary, substitute, or non-tax credentials are not eligible for the endorsement.

I certify that I have read this statement and understand what will be asked of me when applying for my endorsement.

All requests for a new credential must be completed on-line through the Ohio Department of Education’s (ODE) website. Information regarding the on-line license application process can be found at <http://education.ohio.gov/Topics/Teaching/Educator-Licensure>. After visiting this website if you still have questions regarding the on-line application process, please contact the Education Advising Office at 216-687-4625. Once you have submitted your on-line license application to the ODE and payment is made, it will be forwarded to Cleveland State for review. CLEVELAND STATE MUST HAVE ON FILE AN APPROVED PROGRAM OF STUDY AND RECORD OF YOUR PRAXIS/OAE SCORES (IF REQUIRED) TO APPROVE YOUR LICENSE APPLICATION. If your application is declined by Cleveland State, you will need to contact the Education Advising Office at 216-687-4625 for further information.
