1. EXIT REQUIREMENTS FOR DEGREE-SEEKING STUDENTS:

Applying for Graduation – Graduate students with more than 15 hours and degree-seeking status will have the "Apply to Graduate" button available to them on the Graduation Tab in CampusNet. Once a student applies online, the graduation fee is charged to the student account and the review process begins. It takes six to eight weeks to complete the initial review. Students are encouraged to track the progress of their graduation application on the "Application Tracking" page on the "Graduation" tab.

Exit Requirement Options - In consultation with your faculty advisor, you must select one of the following four options as your culminating experience/exit requirement: Action Research Project/Portfolio Assessment (EDL 695) - If selecting this option, you must successfully complete EDL 695 (grade of B or better) and the action research project and portfolio assessment requirement of this course. Upon receipt of final grades showing successful completion, the ESSC will forward a notice of degree completion to the Graduation Office. If unsuccessful, you may complete one of the other three options below.

Comprehensive Exam Option – If selecting this option, the comprehensive exam should be taken during or after your last term of coursework. Placement on the comprehensive exam list requires that you apply for graduation, have a program of study on file in the ESSC, and be registered for at least one graduate hour during the term taken. Exam notices are sent approximately one month before the exam. If you wish to take the exam earlier than the term you plan to graduate, you must state so on the graduation application. Graduation applications are available in the Graduation Office.

Thesis/Project Option – If selecting the thesis or project option, you must be registered for at least one (1) graduate hour until completion of this requirement and submit a Proposal Approval form prior to submission of the final thesis or project. Thesis/Project forms and instructions are available in the ESSC, JH 170.

2. GRADUATE CREDIT TRANSFER/EXTENSION OF 6-YEAR LIMIT:

Graduate Credit Transfer – A Graduate Credit Transfer form must be completed when requesting credit toward your degree program for graduate-level courses taken at another institution. Transfer eligibility requires that courses be less than 6 years old (unless a petition is filed and approved to extend the 6-year limit—see below), were not used to meet previous degree requirements, and where a letter grade of “B” or better was earned. No more than nine (9) semester hours are transferable and you need to complete 12 semester hours at CSU before you can apply. Transcripts and course descriptions must accompany the Graduate Credit Transfer form, which is available in the ESSC, JH 170.

Extension of 6-Year Limit – A College Petition and corresponding Course Relevancy Statements must be completed when requesting credit for graduate-level coursework that will be more than 6 years old at the time you graduate. Petitions and Relevancy Statements are available in the ESSC, JH 170.

3. ENDORSEMENT ELIGIBILITY:

To be eligible for the Reading endorsement, you must hold a valid provisional, professional, or permanent teaching certificate or license in the State of Ohio. Upon successful completion of the required courses listed on this program of study and the passage of the OAE Content exam, you may apply for the endorsement (see item 4 below). Teachers holding temporary, substitute, or non-tax/non-Ohio credentials are not eligible for the endorsement.

4. APPLICATION FOR ENDORSEMENT:

Please state the teaching credential you are seeking:

IS THIS YOUR FIRST CERTIFICATE/LICENSE (Does not include Temporary, Substitute, Non-Tax, or Non-Ohio Credentials)? Yes No

Please list other teaching credentials you currently hold:

ALL APPLICANTS FOR THE ENDORSEMENT MUST READ AND SIGN THE MORAL VERIFICATION BELOW:

In accordance with the Teacher Education Standards of the State of Ohio, the issuance of a teaching credential is in part dependent on verification that the candidate is “of good moral character.” In making a determination of the moral character of a candidate, you will be asked five questions on the licensure application regarding criminal convictions that must be answered truthfully. I certify that I have read this statement and understand what will be asked of me when applying for my endorsement.

Beginning January 2014, all requests for a new credential must be completed on-line through the Ohio Department of Education's (ODE) website. Information regarding the on-line license application process can be found at <http://education.ohio.gov/Topics/Teaching/Educator-Licensure>. After visiting this website if you still have questions regarding the on-line application process, please contact the Education Advising Office at 216-687-4625.
