1. EXIT REQUIREMENTS:

Applying for Graduation – Graduate students with more than 15 hours and degree-seeking status will have the "Apply to Graduate" button available to them on the Graduation Tab in CampusNet. Once a student applies online, the graduation fee is charged to the student account and the review process begins. It takes six to eight weeks to complete the initial review. Students are encouraged to track the progress of their graduation application on the "Application Tracking" page on the "Graduation" tab.

Culminating Experience/Exit Requirement (EDB 595, Seminar on Integrating Theory and Practice) -

The culminating experience in this program requires that you successfully complete EDB 595 with an overall grade of B or better, which includes successful completion of an action research project and the professional teaching portfolio requirement of this course.

2. GRADUATE CREDIT TRANSFER/EXTENSION OF 6-YEAR LIMIT:

Graduate Credit Transfer – A Graduate Credit Transfer form must be completed when requesting credit toward your degree program for graduate-level courses taken at another institution. Transfer eligibility requires that courses be less than 6 years old (unless a petition is filed and approved to extend the 6-year limit—see below), were not used to meet previous degree requirements, and where a letter grade of "B" or better was earned. No more than nine (9) semester hours are transferable and you need to complete 12 semester hours at CSU before you can apply. Transcripts and course descriptions must accompany the Graduate Credit Transfer form, which is available in the ESSC, JH 170.

Extension of 6-Year Limit – A College Petition and corresponding Course Relevancy Statements must be completed when requesting credit for graduate-level coursework that will be more than 6 years old at the time you graduate. Petitions and Relevancy Statements are available at <https://levin.csuohio.edu/essc/petitions>.

3. PRACTICUM AND STUDENT TEACHING:

Students must register for the appropriate course number for both Practicum and Student Teaching. Each course number reflects a different subject area and selection should be based on your subject area. PLEASE NOTE: ALL APPLICABLE OAE EXAMS MUST BE TAKEN PRIOR TO STUDENT TEACHING.

4. LICENSURE INFORMATION:

Beginning January 2014, all requests for a new credential must be completed on-line through the Ohio Department of Education's (ODE) website. Information regarding the on-line license application process can be found at <http://education.ohio.gov/Topics/Teaching/Educator-Licensure>. After visiting this website if you still have questions regarding the on-line application process, please contact the Education Advising Office at 216-687-4625. Once you have submitted your on-line license application to the ODE and payment is made, it will be forwarded to Cleveland State for review. CLEVELAND STATE MUST HAVE ON FILE AN APPROVED PROGRAM OF STUDY, A RECORD OF YOUR PRAXIS/OAE SCORES, AND RESULTS OF YOUR PORTFOLIO ASSESSMENT (IF REQUIRED) TO APPROVE YOUR LICENSE APPLICATION. If your application is declined by Cleveland State, you will need to contact the Education Advising Office at 216-687-4625 for further information. You will be notified by the ODE if you do not have a current background check on file with them.
