1. EXIT REQUIREMENT:

Applying for Graduation – Applications for graduation are available in the Graduation Office. You are encouraged to apply two semesters before your expected graduation date. Application deadlines are April 14th for Fall semester, September 9th for Spring semester, and February 1st for Summer semester. A graduation fee of $25 (effective 3/1/02) is assessed upon submission of your graduation application.

Comprehensive Exam Option – If selecting this option, the comprehensive exam should be taken during or after your last term of coursework. Placement on the comprehensive exam list requires that you apply for graduation, have a program of study on file in the Education Student Services Center (ESSC), and be registered for at least one (1) graduate hour during the term taken. Exam notices are sent approximately one month before the exam. If you wish to take the exam earlier than the term you plan to graduate, you must state so on the graduation application. Graduation applications are available in the Graduation Office.

Thesis/Project Option – If selecting the thesis or project option, you must be registered for at least one (1) graduate hour until completion of this requirement and submit a *Proposal Approval* form prior to submission of the final thesis or project. Thesis/Project forms and instructions are available in the ESSC, JH 170.

2. GRADUATE CREDIT TRANSFER/EXTENSION OF 6-YEAR LIMIT:

Graduate Credit Transfer – A Graduate Credit Transfer form must be completed when requesting credit toward your degree program for graduate-level courses taken at another institution. Transfer eligibility requires that courses be less than 6 years old (unless a petition is filed and approved to extend the 6-year limit—see below), were not used to meet previous degree requirements, and where a letter grade of "B" or better was earned. No more than nine (9) semester hours are transferable and you need to complete 12 semester hours at CSU before you can apply. Transcripts and course descriptions must accompany the Graduate Credit Transfer form, which is available in the ESSC, JH 170.

Extension of 6-Year Limit – A College Petition and corresponding Course Relevancy Statements must be completed when requesting credit for graduate-level coursework that will be more than 6 years old at the time you graduate.   Petitions and Relevancy Statements are available in the ESSC, JH 170.

3. STUDENT TEACHING REQUIREMENTS:

All licensure courses must be successfully completed prior to Student Teaching. **Starting Fall 2006, all applicable PRAXIS II EXAMS MUST BE TAKEN PRIOR TO STUDENT TEACHING**. In addition, the following items are required and must be turned in to the Office of Field Services (OFS) prior to reporting for your placement: 1) Completion of a criminal background fingerprint check; 2) Proof of a negative TB test; and 3) Proof of completion of a series of Hepatitis B Shots. In making a determination of the moral character of a candidate, the State requires each candidate to submit to a criminal record fingerprint check. In addition, you will be asked five questions on the licensure application regarding criminal convictions that must be answered truthfully.   I certify that I have read this statement and understand what will be asked of me when applying for my license.

Information on applying for your license is available in the ESSC, JH 170.
