

edTPA Video Tutorials

Created by the College of Education and Human Ecology
Educational Technology Team

As part of our land grant mission to serve the state and the profession, we are providing these videos that may be used by other institutions that offer education licenses.

Below are links to tutorials created for those that are submitting edTPA portfolios. You are free to use and share. If you use them, please provide credit to The Ohio State University EHE Educational Technology Team.

Document Basics

- How to Save as Adobe PDF:
https://youtu.be/2aH-1HqCZCc?list=PL4lASxYQjO_SyLK-K6pRKaf5RtDSo9Maq
