OHIO CERTIFIED PUBLIC MANAGER® PROGRAM

About CPM

The Certified Public Manager® (CPM) Program is a comprehensive & nationally certified development program for state & local government leaders. Cleveland State University delivers the official CPM certification program for the state of Ohio.

The Curriculum

To receive the CPM credential, participants must enroll in & successfully complete the Public Management Academy & Leadership Academy.

PUBLIC MANAGEMENT ACADEMY

The Public Management Academy is a one-year, comprehensive program allowing managers to sharpen their supervisory & management skills. Participants will engage in 19 customized workshops & a capstone project.

LEADERSHIP ACADEMY

The premier public sector leadership development program in the region including modules on leadership styles, change management, generations in the workplace, power & persuasion, knowledge transfer, strategic planning, data management, crisis communications, & more.
