

## **PUBLIC MANAGEMENT ACADEMY at Levin.**

# **OHIO CERTIFIED PUBLIC MANAGER® PROGRAM: PUBLIC MANAGEMENT ACADEMY**

## **Overview**

The Public Management Academy is a comprehensive program allowing managers to sharpen their supervisory & management skills. Participants will engage in 19 customized workshops & a capstone project. Managers not only develop a public sector toolkit, but also complete real-world process improvement projects.

## **The Curriculum**

The Academy is divided into trimesters, offering courses such as Strategic Management, Process Improvement Tools, Data-Based Decision-Making, Survey & Research Data Collection, Budgeting, Grants Management, Project Management, Labor Relations, Employment & Public Information Law, Ethics & Integrity, and more.

## **Public Management Academy Provides...**

Education for public managers, collaboration across communities, innovation through project results, & more!

**The 2020-2021 Public Management Academy kicks off in March, and ends in January.**

**All sessions will be held at the City of Westlake's Recreation Center.**

**To join the cohort, visit <https://urban.csuohio.edu/prof-dev/public-management-academy-participant-portfolio-form>**

## **OHIO CERTIFIED PUBLIC MANAGER® PROGRAM**

The Certified Public Manager® (CPM) Program is a comprehensive & nationally certified development program for state & local government leaders. Cleveland State University delivers the official CPM certification program for the state of Ohio.

To receive the CPM credential, participants must enroll in & successfully complete the Public Management Academy & Leadership Academy.

**Interested in working towards your CPM credential? Enroll in Public Management Academy today!**
