

Summer Internship Opportunity

Cleveland Catholic Charities is one of the region's largest not for profits. Voted in the Plain Dealer as one of the "Top Work Place" for the last 5 year.

The Food Force is located in Painesville Square and serves residents of the community with an emergency supply of food. Enrolled participants are eligible to use the Food Force one time per month. The goal of the program is to assist participants with a food shortage problem. We also have youth and senior nutrition programs.

We are currently seeking a summer intern to help with increased need and additional new programs. This would be an excellent opportunity for some studying social service to get hands on experience in food justice. The position would require two days of training with Cleveland Catholic Charities including a Virtus Certification. The position would be Monday thru Thursday 9am – 1pm, May thru August. This would be a volunteer position. Food and Housing may be provided if needed. There is also opportunity for paid part time work for the right candidate.

Please submit a Resume by email to:
