Bachelor of Science in Chemistry, Education License

Student Name:

CSU ID:

CSUteach Admission Requirements to Teacher Licensure Programs

Apply for admission to the Levin College of Public Affairs & Education via an intake appointment with an Education advisor, JH 170, at least one semester in advance of desired entrance. □

Prior to the intake appointment, you must have achieved or completed all of the following: □

1. Completion of 30 credit hours of college-level course work. □
2. Earn a grade of B- or higher in BOTH a college-level English composition course AND a college-level mathematics course. Evidence of competency may be met with specific ACT, SAT or Praxis scores. See advisor for details. □
3. Have an overall UG GPA of 2.75. Course work taken at other institutions is counted in calculating your GPA until you have completed 12 or more credit hours at CSU after which only the CSU GPA is considered. □
4. Completion of a Civilian Background Check for both BCI and FBI. □
5. Students MUST be accepted into licensure program and maintain at least a 2.75 cumulative GPA to be eligible for 300-400 level professional education courses. □

Total	134

Evaluator's Signature

Date

The following Pearson OAE exams must be taken prior to student teaching and passed before you can apply for the Integrated Science license. You must designate CSU as your education preparation institution each time you register for the OAE as CSU will need to have a copy on file to approve your on-line license application. Go to <http://www.oh.nesinc.com> for more information about the OAE and to register for the exams. □

Test	Length	Passing Score	Code
Assessment of Professional Knowledge (APK): Adolescent to Young Adult* □	3 hrs	220	003
Integrated Science	3 hrs	220	024

*A score of 37 on the EdTPA can serve as a substitute for APK test requirement (ask your advisor for more information)

Candidates seeking licensure are required to satisfy additional portfolio requirements (See <https://cepa.csuohio.edu/eportfolio/taskstream-resources>).
