***Need to Finish the English 101 and 102 Series?***

Enroll for UST 102 taught online. UST 102 continues to cultivate and hone the skills acquired in ENG 101, but also incorporates research and information literacy skills. You will practice your research and writing skills with the help of clear rubrics and an instructor who provides feedback without punishment. Rewrites and gentle hints about grammar, spelling, and organizational challenges. Drafts and rewrites allowed. Online asynchronous for your convenience but assumes your diligence.
