CUACS Account Application

This will establish an account on the College of Urban Affairs Computer system (CUACS) which will permit access to shared resources as well as server-based storage for your files.

Fill out the form below return it to Robert Martel in room UR20.

- Incomplete Forms will **not** be processed.
- Items marked with a *** are <u>required</u>**.
- Your **UNIVERSITY** email address is required. (**<u>NOT</u>** your gmail, hotmail, yahoo, etc. address)

The Levin College will be using Email to communicate with you. Approval of this request constitutes authorization to use computer systems provided by the Levin College of Urban Affairs. Abuse of these services and/or facilities will disqualify the user from further use, and may constitute violations of the rules and regulations of Cleveland State University and the laws of the State of Ohio.

LCUA Computer accounts required for file storage. Student files on network drives are backed-up every night.

*Name:_____

*Course:_____
